Subject: Stop the execution of Ahmadreza Djalali

Your Excellency,

I have been informed that medical doctor and academic Ahmadreza Djalali, imprisoned in Tehran's Evin prison, has been placed in solitary confinement and was told he would be imminently executed.

I urgently call on you to do everything in your power to ensure that any plans to execute Ahmadreza Djalali are immediately halted and that his death sentence is quashed.

I further call on you to immediately release Ahmadreza Djalali and accord him an enforceable right to compensation, as per the recommendation of the UN Working Group on Arbitrary Detention in his case.

I strongly urge you to relay my request to your contacts in Teheran and to help ensure Iran does not shame itself any further by killing this man.

Yours sincerely,
